

UNCW Communication Studies Society

November/December 2007

Mission

The purpose of the UNCW Communication Studies Society is to prepare members for a clear understanding of the communication field and to provide networking opportunities with peers and professionals in communication related fields.

Under Pressure Panel

Join us for our fall panel discussion, Under Pressure: What to do and what to say, a public relations and event planning crisis management

panel. Public relations and event planning professionals from various industries will be on hand to discuss the importance of PR in difficult situations. This is a great opportunity to network with people who have experience in both fields. Listen to what the pros have to say on Wednesday, November 14th at 7 p.m. in LH 143.

Rock for the Cure

Thanks to everyone who came out for the Rock for the Cure Breast Cancer Benefit Concert on October 26th. The event raised over \$860 for the New Hanover Regional Medical Center Foundation's Pink Ribbon Fund. Special thanks to Community Outreach Chair Blair Fetner for coordinating the event and The Schoolboys for headlining the show!

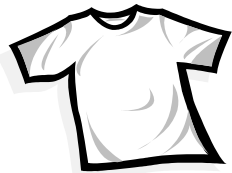

Halloween Carnival

Thanks to Community Outreach Chair Blair Fetner and to everyone who donated candy and worked the CSS booth at the Halloween Carnival on Oct. 24th. The event was a huge success and provided tons of fun for area kids.

COM Studies T-Shirts

Ever wanted a Communication Studies Department T-shirt, but could never find one? So did we! That's why members of CSS designed one! They are short-sleeved grey for \$10. What a steal! Get yours at Leutze Hall 238 or print off our pre-order form online at our website.

Bake Sale

Thank you to all the volunteers who baked goods and worked the CSS booth for our Bake Sale fundraiser on October 18th. We raised \$99.50 for CSS! Special thanks to Fundraising Chair Monica Tockman for coordinating the volunteer effort.

MMOM Thanks

Thanks to all of the COM faculty and student organizations representatives who spoke at the Make the Most of Your Major information session on October 17th. The event drew more than 70 students, making it our most successful MMOM yet!
